Directions to the Enchanter Bed and Breakfast

Once you set foot on the ferry in Horseshoe Bay, you have a relaxing 40 minutes to prepare yourself for the peace and enchantment of the Sunshine Coast. When the ferry docks in Langdale, you will follow Highway 101 north along the coast for about 1 hour. You will go through the towns of Gibsons and Sechelt. Continue following Highway 101 northward past Halfmoon Bay and Secret Cove until you come to the Pender Harbour area. Watch for the Madeira Park turnoff on the left, but go past this turnoff into another sharp bend and you will see the Grasshopper Pub, then the Sunshine Coast Resort sign. The next road on the left is Narrows Road. Turn left on Narrows Road and follow the road down to The Enchanter.
